

IT IS WHAT IT IS! IS IT WHAT IT IS?

LIMITED EDITION OF 10 © 2011

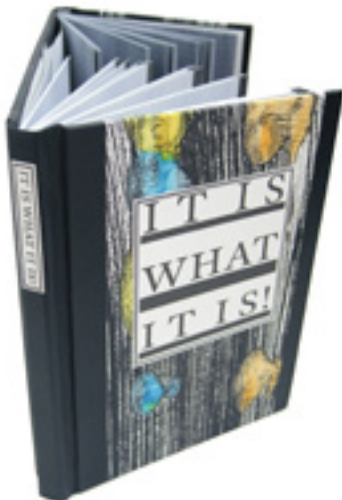

Marie Kelzer  **PAPER ARTS**
SAN FRANCISCO, CALIFORNIA

"It is what it is" is one of those phrases that has entered the mainstream. This artist book is born of the discontent over the dismissive tone of "It Is What It Is". With the "French Doors" structure this book explores the meaning beneath the yin and yang of "It is what it is!" and "Is it what it is?" Really!
