Paste Paper **Blacks**

Paste Paper **Blues**

Paste Paper **Greens**

Paste Paper **Oranges**

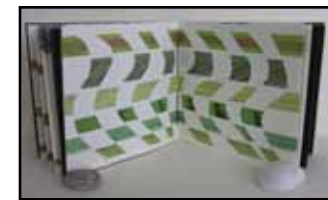

Paste Paper **Reds**

Over the course of 25+ years of making paste papers, I had accumulated a plethora of scraps, most of them in narrow strips. I separated the papers roughly into 5 colors of black, blue, green, red, and orange. Each of the five books concentrates on one color range utilizing paste paper scraps using the ageless techniques of paper cutting and weaving.

Paste Paper **Greens**
